

CAPITAL KINGS

American edm-pop duo, consisting of Cole Walowac & Dylan Housewright. Capital Kings emerged with a force after releasing their debut record in 2013 self-titled, Capital Kings, hitting iTunes Top 50 Albums charts first week with hit single “I Feel So Alive”. With a sound that hits all styles of EDM music, from House to Trap, the guys know how to make catchy pop tunes that leave you wanting more.

Returning in 2015, their sophomore album, II, peaked on billboard Dance Album Charts at #2 and was on the charts for 26 weeks. Billboard hit songs “Fireblazin” “Into Your Arms” & “Believer” launched them to becoming a household name giving them international touring and radio success.

2016, the Kings released single “I Can’t Quit” featuring rapper Reconcile, quickly becoming a mainstage festival anthem.
