

# B.REITH

"It's amazing when God truly gives somebody gifts... Brian is just naturally gifted from God vocally, when his lyrics hit tape its just things that sort of ease into our heart... Trust me, B.Reith is a man of character too. He's a guy that truly walks what he talks. I can say that at every turn in dealing with him as an artist. He's always considering what God's calling him to. I don't do these endorsements a lot, but for B I will do it all day." - tobyMac

## What people are saying:

"B.Reith speaks the relevant dialect of today's culture, and has the heart to address real issues, presenting hope and shedding light into this decaying world." -New Release Tuesday

"The heartfelt endorsement of tobyMac and the catchiness of Jason Mraz" - CBN Music

"Beautiful, nuanced vocals one second with fast-paced rhymes filled with pop-culture dialect the next" - Christian Music Today

"*Now Is Not Forever* is an excellent album. There's a little bit of everything here, and the songwriting is catchy and tight. Reith's vocals are also very pleasing to the ear. Couple this with lyrics that are both fun and deep, and you have a more than satisfactory debut album for B.Reith." - Jesusfreakhideout.com
