

CAPITAL KINGS

"These guys have worked so hard the past couple years, it's been a crazy amazing ride to watch them come into their own. I'm watching Capital Kings undeniably rock the crowds at Winter Jam every night! I've been waiting for something this unique for a while and the boys have delivered a daringly modern body of work that is massive on pop appeal and lyrically unashamed." [TOBYMAC]

PRESS

"The duo excels in mixing pop, dance and hip-hop in a way that pays tribute to TobyMac and mainstream stars like Maroon 5, but Capital Kings are more than that." [RHAPSODY]

"Electronic popsters Capital Kings infuse their self-titled debut album with ingenious beats, sparkling techno textures, and a relentlessly positive outlook. A standout release for electronica aficionados of all spiritual persuasions." [ITUNES]

"There's a new sound in town thanks to Capital Kings, whose ingenious blend of electronic, hip hop, pop and even some dubstep has inspired everyone from TobyMac to Group 1 Crew and Mandisa...[Capital Kings] is quickly growing into a formidable force of their own thanks to the new self-titled long player on Gotee Records..." [CCM]

"Capital Kings is a strong debut by a group that is already changing the face of new wave/electro pop...it oozes with fresh and fun musical creativity and will definitely go down as one of the most innovative releases of 2013." [NEW RELEASE TUESDAY]

Self-titled release Capital Kings highlighted in Billboard Magazine following debut on Overall 200 chart
