## I FEEL SO ALIVE EP

### I FEEL SO ALIVE

I've seen life through the eyes of a different soul  
I left my past so my future would be under control  
Now I got nothin' standin' in my way, I gave it all away, I gave it all away  
Whoa oh oh, I gave it all

You got me livin' how I've wanted all along  
Now all my tears are dried away  
You got me livin' how I've wanted all along

I feel so alive, alive  
Inside, inside  
I'm breakin' through the haze to a brand new day  
'Cause my heart has been revived

How was I supposed to survive in this vast sea?  
I was so scared my own heart would try to abandon me  
Now I got nothin' standin' in my way, I gave it all away, I gave it all away

You got me livin' how I've wanted all along  
Now all my fears have run away  
You got me livin' how I've wanted all along

I feel so alive, alive  
Inside, inside  
I'm breakin' through the haze to a brand new day  
'Cause my heart has been revived

(I feel so alive)  
I feel a fire inside  
Its like a whole new ride  
I feel a sweet increase  
Consuming all of me

I feel so alive, alive  
Inside, inside  
I'm breakin' through the haze to a brand new day  
'Cause my heart has been revived

I feel so alive

## BE THERE

On the run  
We're on the run  
On the run  
We hit the brakes but keep movin'  
Left with none  
We're left with none  
Left with none  
Except these scars and these bruises

When everything turns dim  
Its love that finds a way  
Its one last time before  
We fly away

When the lights go down  
I'm gonna be there  
When you're on the run  
I'm gonna be there  
When you're hangin' on  
I'm gonna be there  
I'm gonna be there

Just begun  
It's just begun  
Just begun  
There's no stopping we're cruisin'  
All we've done  
All that we've done  
All we've done  
Who do we think we're foolin'

When everything turns dim  
It's love that finds a way  
It's one last time before  
We fly away

## TELL ME

And it seems the sun won't shine today  
On our broken hearts that can't escape the pain  
Won't you tell me it's not over  
Can we work it out  
Can we talk about getting through the hard  
Getting through these trying times  
I need an answer tonight

Tell me everything is alright  
Tell me everything's just fine  
Tell me the words that I need in my life

Tell me everything is alright  
Tell me everything's just fine  
Tell me the words that I need to survive

I believe that we'll see better days  
We can lean on hope even when we lose our way  
Cause I'm sayin' its not over  
Can we cast aside all our foolish pride  
And get back to livin' for a brand new day  
Love is the way

Tell me everything is alright  
Tell me everything's just fine  
Tell me the words that I need in my life

Tell me everything is alright  
Tell me everything's just fine  
Tell me the words that I need to survive

Its not over, love's not colder  
We're gonna get it right, gonna make it right someday  
Its not over, loves not colder  
We're gonna get it right, gonna make it right some way

Tell me everything is alright  
Tell me everything's just fine  
Tell me the words that I need in my life

Tell me everything's alright  
Tell me everything's just fine  
Tell me the words that I need to survive
