DEAS VAIL GIVES AWAY NEW TRACK

WWW.FREEDEASVAIL.COM GOES ONLINE FEATURING "WAKE UP AND SLEEP"

"Are we primed for another indie rock revolution?" -- Amplifier

Hailing from Arkansas, Deas Vail--Wes Blaylock - Vocals, Keys, Laura Blaylock - Keys, Synth, Wes Saunders - Drums, Andy Moore- Guitar and Justin Froning- Bass are looking forward to their self titled CD release, produced by Relient K guitarist and Mono Vs Stereo A&R Matthew Hoopes. Release to street on October 11 on Mono vs Stereo with distribution through Sony Red, CD to be available at all retail and online outlets and vinyl available at select outlets.

Premiering today is www.freedeasvail.com a site dedicated to music fan involvement and appreciation where anybody that posts on Twitter about the band or 'Likes" on Facebook can download the new track *Wake Up and Sleep* for FREE.

As the follow-up to Deas Vail's last CD *Bird's & Cages* the new release is 12 anthemic songs that rise with restless urgency and fervent optimism, underneath the soaring arrangements is a singer/songwriter album at heart with sweeping melodies, textured layers of guitars and keyboards, and of course in Wes' passionate, wailing vocals and beautifully poetic songwriting.
