**DEAS VAIL BACK ON THE ROAD WITH A CLUB TREK KICKING OFF ON JUNE 13
LEADING INTO DATES ON VANS WARPED TOUR '10**

BIRDS & CAGES OUT NOW

As one of Alternative Press Magazines "100 Bands You Need To Know", Deas Vail is working hard to make their presence known, after a short break from the road the band hits the pavement again for a trek with O' Brother leading into dates with Lydia and them onto Vans Warped Tour 2010.

Birds & Cages is a dozen songs that take on everest-sized questions about freedom, love, hope, fear, transformation and just what it means to become a better human being. That might seem like a tall order for a modern rock album but Deas Vail make their soul searching inquiries sound exhilarating, with swooning choruses, sparkly panoramic arrangements and lyrics that flirt with darkness but ultimately tilt towards optimism. Vail's *Birds & Cages* is the second release from the newly revived record label, Mono vs. Stereo, a partnership between Gotee Records and Relient K.
