

FINDING FAVOUR

SAY AMEN

This life is a journey we walk by faith
And there will always be the mountains in our way
But right here in this moment, may our strength be renewed
As we recall what God has done and how we've seen Him move

If there's anybody here who's found Him faithful
Anybody here who knows He's able
Say Amen

If there's anybody here who's seen His power
Anybody here brought through the fire
Say Amen

Anybody here found joy in the middle of sorrow
Just Say AMEN!

Sometimes through the darkness, it's hard to see
So just be brave and follow where He leads
Greater is the one who's in us, than he who's in the world
So child of God remember, the battle is the Lord's

If there's anybody here who's found Him faithful
Anybody here who knows He's able
Say Amen

If there's anybody here who's seen His power
Anybody here brought through the fire
Say Amen

Anybody here found joy in the middle of sorrow
Peace in the storm, hope for tomorrow
And seen time and time again
Then just Say AMEN!

Even in the valley of the shadow when you feel alone in the unknown
Just say Amen, Just say Amen
Even when the storms are raging, Stand and know your not forsaken
Just say Amen, Just say Amen

Is there anybody here, Tell me is there anybody here
Come on and Say Amen

If there's anybody here who's seen His power
Anybody here brought through the fire
Come on and Say Amen

Anybody here found joy in the middle of sorrow
Peace in the storm, hope for tomorrow
And seen time and time again
Then just Say AMEN!
