GOTEE RECORDS' HOLLYN RELEASES DUAL SINGLE WITH MUSIC VIDEOS

HOLLYN TO APPEAR ON WINTER JAM 2019

NASHVILLE, TENN. (OCTOBER 18, 2018) Gotee Records' Hollyn announces the release of a dual single with accompanying music videos for two brand new songs, "Everything and More (featuring Aaron Cole)" and "Isaac." The stories behind each of the songs connect, and the videos share a continuous story throughout this dual single music video. The unique videos, which debuted on iamhollyn.com, were directed by Ezra Cohen (Erin McCarley, Hillsong Young & Free) and feature a one-take concept and were filmed back-to-back. The songs release tomorrow at all [digital outlets](#) and will be the first new music from Hollyn in a year.

Behind the scenes of Hollyn's music video

"What I wanted to do is pull back the curtains of my heart and welcome you into what's actually happening in my life," shares Hollyn. "There are two sides to every story, but they go together beautifully and they were made to coexist. What I'm trying to get across is that all emotions point us to some kind of truth. I feel like my songs are thoughts and promises that God's given to me in places He's healed me and restored wounds that I didn't even know that I had."

The music was produced by COBRA Music Group, who worked with Hollyn on songs on her debut self-titled EP. Earlier this month, it was announced that Hollyn will be joining the widely popular Winter Jam Tour at the beginning of 2019. Tour dates and markets can be viewed [here](#).
