*“sizzling pop-punk/pop-rock heat that decimates everything left in its wake.
Songs ricochet off one another,
never stumbling or losing momentum, never sounding the same”
--Absolute Punk 2009*

On the heels of House Of Heroes latest full length CD release *The End Is Not The End* followed by two EP releases *The Acoustic End* and *House Of Heroes Meets The Beatles* the band is currently on the road for a trek of summer dates and about to embark on a September tour with The Wedding and label mates Abandon Kansas kicking off September 13.

*“sometimes a band like House of Heroes comes along and just... brings it to another, unexpected level!”
--The Jersey Beat 2009*

The Acoustic End EP on Itunes includes new acoustic bonus tracks, "New Moon" and "Ghost" as well as a reworked version of "If". As well out now is their ode to the Beatles tribute; *House of Heroes Meets The Beatles* EP available now at all digital outlets, release includes covers of Can't Buy Me Love, It Won't Be Long and Ob-La-Di, Ob-La-Da.

“Taking on the task of paying tribute to a band like The Beatles is without a doubt ambitious. There are sure to be people lying in wait ready to pick each attempt apart, refer to it as glorified karaoke, etc. So why did Ohio's own House Of Heroes take this on?

Because they could pull it off, and do so effortlessly”

--Rock On Request 2009

House Of Heroes is: Tim Skipper - lead vocals, guitar, Colin Rigsby - drums, backing vocals, AJ Babcock - bass guitar, backing vocals and Jared Rigsby-guitar, backing vocals.

Look for the band this holiday season to join Family Force 5 on the first annual Christmas road show.
