Nashville, Tenn. Aug. 11, 2011... Heralded by a No. 1 radio single, repeated No. 1 digital hit and a successful EP, Gotee Records' Jamie Grace will debut her first, full-length record titled *One Song At A Time* on September 20. Fans can pre-order the album starting today at <http://www.gotee.com/store>.

The 11 track album contains the No. 1 CHR (No. 1 for four weeks) and Top 5 AC radio hit "Hold Me" featuring tobyMac. Other notable songs on the record include "With You," "Come To Me" and "God Girl" done in a hybrid sound of acoustic pop, hip hop, folk, reggae and even country, final track listing below. The majority of the songs were produced by Christopher Stevens (tobyMac, Carrie Underwood) with additional tracks

produced by Arch Nemesiz (production duo of GabeReal and Dave Wyatt of DiverseCity) and David Garcia (Mandisa, Group 1 Crew).

“I had the amazing privilege of working with an incredibly talented and diverse team for this album,” explains Jamie Grace. “What made it even more exceptional is that this team embraced who I am, what I love, where I'm from and most importantly where I'm going as an artist.”

In support of *One Song At A Time*, Jamie Grace will hit the road this fall with tobyMac in October while he tours Canada, and in November as a special guest on the “tobyMac Unplugged: A Night of Stories & Songs” tour hitting the U.S. Jamie Grace will also take part in “Newsong's Very Merry Christmas Tour” featuring NewSong, Kutless and Chris August. Dates for the tour will be announced soon and available [here](#).

Jamie Grace was discovered by industry pioneer and multiple GRAMMY® winner tobyMac.

"Every couple of years, I get a true desire to find and help a developing artist share their music with the world," explains multi-platinum selling recording artist tobyMac. "Jamie Grace is a gifted artist and a great fit for Gotee Records for a lot of reasons. She has a style that can't be put into a typical label box—a dash of reggae, a hint of folk/alt country, a sprinkle of hip hop. She is a true songwriter, who is blossoming before my very eyes and I have not been this excited to work with an artist in a long, long time. Jamie is a natural beautiful next step for our industry."
