"there's some really good songwriting on here. There's a certain humility and honesty weaving in and out of these 12 tracks" --LP33 TV

Comprised of singer Luke Foley, bassist Robbe Reddinger, lead guitarist Brian Campbell, and drummer Marc Prokopchak, the band has spent the last 5 years criss-crossing the country playing nearly 700 shows, and they have no plans of slowing down. With a full national tour in the works, the band's goal is to impact others with thought provoking lyrics while still entertaining them with an infectiously fun live show.

"this band is a serious outfit, delivering an alternative rock sound with enough pop sensibilities"

to hook you in from beginning to end,”
- *Alter The Press*

Farewell Flight's 'Out For Blood' is the fourth release from Mono vs. Stereo, a partnership between Gotee Records and Relient K.
