

The Human Side

by Ryan Stevenson

I woke up this morning, my stomach is already in knots, the sky is so grey,
Edge of my bed, strugglin' to gather my thoughts, I don't even wanna be
awake

I'm feeling like I'm too far gone, the hope of healing, it's already moved
on and now I'm dealing with so many things I never knew, buried deep
inside of me

Oh, I don't have the words to say, Oh, you're the only hope I have to
change Oh, your love keeps showing me, you understand the human side
of me, the human side of me

Crazy how long pain and bitterness can linger on, throwing me shade

I'm so thankful I can tell you, how I'm feeling, what I'm going through
I'm so thankful you can handle, all of my chaos, all of my chaos

Oh, I don't have the words to say, Oh, you're the only hope I have today
Your, your love keeps showing me, you understand, you understand
