RYAN STEVENSON WILL RELEASE NEW ALBUM, *WILDEST DREAMS*, AVAILABLE JUNE 5TH

NASHVILLE, TENN. (MAY 01, 2020) Gotee Records' Ryan Stevenson will release his new studio album, [Wildest Dreams](#), on June 5th. Pre-order *Wildest Dreams* today with the newly released title track, the current Top 25 Billboard radio hit, ["Amadeo \(Still My God\)"](#) and ["When We Fall Apart."](#) The new studio project was almost entirely produced by Micah Kuiper and Bryan Folwer for Man Cub Music House along with production from Jordan Sapp and Tyrus Morgan.

"Over the last couple of years, I feel like I've been learning to rest more, and not worry so much about what may or may not happen in the future," shares Ryan Stevenson about the idea behind the new album. "In the beginning, I tended to operate out of a posture to 'obtain' success; then over time, I morphed into a posture of trying to 'maintain' success. Trying to micromanage and 'maintain' success is exhausting and is a thief of joy and peace. This last season has been an eye opener; in the way of realizing how good God is all the time. The title of this new record is so appropriate, because I truly feel like at every turn, God continues to blow my mind and come through in ways that I never thought were possible. His goodness and blessing, even in the midst of my chaos, is so humbling. My wife and I reflect regularly on our journey, and where the Lord has brought us on this journey. It really is better than our wildest dreams."

Wildest Dreams is a collection of songs that will inspire the listener to move to a place of trust and dependence on God. In addition to honoring his mother on the album ("When We Fall Apart"), Stevenson also wrote a song for his dad, "With Your Life," where he wanted him to know that he now realizes how much his dad loved him as he reflects on his own life with two boys. There is also an impactful song, "Through It All," that touches on secrets and how debilitating the shame and pressure of our sin can be if not brought into light. He also brings his fun-upbeat melodies to the project with the nostalgic song, "My 90s."

Stevenson kicked off his year with the release of the new radio single, "Amadeo (Still My God)," which is currently a Top 25 Billboard Christian radio song with airplay on more than 73 AC stations including the K-LOVE network, SiriusXM's "The Message" and the Way-FM network. In just 2 months the song has already amassed over 3.5 million streams across AmazonMusic, AppleMusic, Pandora, Spotify & YouTube. There is also a new [Amadeo 5-day devotional](#) available on the YouVersion Bible app written by Stevenson.

During this unprecedented season with limited travel, Stevenson will be doing a live online "Amadeo Radio Tour" with virtual performances across the country beginning today with K-LOVE Radio. The schedule and links for the performances listed below.

Stevenson will also release his first book, "Eye of the Storm: Experiencing God When You Can't See Him," this summer. "Ryan is deeply committed to the honesty of the journey," says Paul Young, author of "The Shack." "I am honored to be a witness to his courage and determination and his wholehearted pursuit of authentic truth-telling and creative craft." The book will release July 7 through Harvest House and is available for pre-order now. "Ryan's story is captivating and unique—nothing short of miraculous!" says Bart Millard of MercyMe. "I loved reading about his journey and seeing the Lord's hand on his life.

This is a beautifully compelling story, and I'm excited to see what the future holds for him."
